WE TAKE pleasure in presenting herewith our Wholesale Catalogue of Bulbs, Roots, etc., for the season of 1924-25.

In the growing of our stocks we endeavor to give most careful attention to cultivation, to insure prime quality, and we have taken great pains to keep our stocks pure and true to name.

In making up this catalogue, we have eliminated many items that we consider not worth growing, in view of later and better ones now on the market. It is our wish to offer our customers only the best in our line.
